

## Description

Inspired by house-and '80s pop, "I Feel It Coming" is about wanting more from a relationship. The song differs from the Weeknd's usual attitudes towards love, which revolve around one-night stands and lighthearted fun. With a catchy but laid-back chorus, a danceable sound, and Abel's impressive vocal performance, "I Feel It Coming" is yet another Weeknd track that draws comparison to Michael Jackson. The song was one of two singles released by The Weeknd on November 17, 2016. It dropped alongside "Party Monster." It ended up being the final single released off Starboy

[Intro: The Weeknd]

Yeah, uh

[Verse 1: The Weeknd]

Tell me what you really like

Baby, I can take my time

We don't ever have to fight

Just take it step-by-step

I can see it in your eyes

'Cause they never tell me lies

I can feel that body shake

And the heat between your legs

[Pre-Chorus: The Weeknd]

You've been scared of love and what it did to you

You don't have to run, I know what you've been

through

Just a simple touch and it can set you free

We don't have to rush when you're alone with me

[Chorus: The Weeknd]

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

[Verse 2: The Weeknd]

You are not the single type

So baby, this the perfect time

I'm just tryna get you high (I'm just tryna, babe)

And faded off this touch

You don't need a lonely night

So baby, I can make it right

You just got to let me try

To give you what you want

[Pre-Chorus: The Weeknd]

You've been scared of love and what it did to you

You don't have to run, I know what you've been  
through

Just a simple touch and it can set you free

We don't have to rush when you're alone with me

[Chorus: The Weeknd & Daft Punk]

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

[Pre-Chorus: The Weeknd]

Hey! You've been scared of love and what it did to you

You don't have to run, I know what you've been

through

Just a simple touch and it can set you free

We don't have to rush when you're alone with me

[Chorus: The Weeknd + Daft Punk]

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I know what you feel right now

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I know what you say right now, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I know what you say right now, babe

Na na, na, na, na, na, na na na
